

INVEST INCUBATOR

HELPS YOU TO LAUNCH
YOUR BUSINESS!

About INVEST Incubator

From the INVEST Incubator, you'll get help in getting funding, access to INVEST Alliance partner universities' selected specialists and resources, and entrepreneurship coaching and mentoring to help you to launch your business and become a more competent international entrepreneur

Who is the INVEST Incubator for?

You can apply for the INVEST Incubator if your team includes at least one person who is a student, staff representative, or alumni of INVEST partner universities or an active stakeholder in the regional INVEST Living Labs.

INVEST Incubator has two tracks:

- Pre-incubation program for those teams who have not yet registered their business and launched their MVP
- Incubation program for those teams who have already registered their business and launched (or are just about to) their MVP.

How to apply:

- Send your application by the 30th of November, 2025
- Present your idea to the jury
