

The 25th International
Conference on

High Resolution
Molecular Spectroscopy

Bilbao 2018 September 3rd-7th
Bizkaia Aretoa - UPV/EHU

The University of Valladolid (UVa)
has awarded *the UVa Prize* to an oral communication by a young researcher to

Dominika Viglaska

University of Reims Champagne-Ardenne

who submitted “Extension of the normal mode approach to nonrigid polyatomic molecules”

at the 25th *International Conference on High Resolution Molecular Spectroscopy*,
held at the Bizkaia Aretoa in Bilbao,
from September 3rd to September 7th, 2018.
