

Comment créer un identifiant ORCID ?

Un identifiant ORCID est un identifiant unique qui permet d'attribuer de façon univoque les publications à son auteur. Il évite les confusions d'homonymie, signature, de changement de nom. Il permet la création d'une page Web regroupant l'ensemble de vos articles tout au long de votre carrière (parcours professionnel dans différents établissements du MESRI). Il facilite la recherche par auteur dans les bases de données. Il est géré par une association

internationale à but non lucratif. <u>https://orcid.org/</u>

Cet identifiant est demandé :

- lors de soumission d'un article chez un éditeur
- Iors de la constitution de dossiers, demandes de financement,...
- lors des évaluations individuelles et collectives
- 1. Aller sur la page ORCID : <u>https://orcid.org/</u>
