

July 1-5, 2019, Reims, France

Organized by SiMaP (Grenoble University) and LISM (University of Reims Champagne-Ardenne), France, the 11<sup>th</sup> pamir International Conference Fundamental and Applied MHD will be held on July 1-5, 2019 in Reims Convention Center, France. First pamir International Conference on Magnetohydrodynamics was initiated in 1991 at the Cadarache Castel. This conference will present the latest research in the development of fundamental and practical knowledges in magneto sciences. The organizers have the aim to facilitate the access at the Conference to the young scientists and to promote the close collaboration between the MHD community. We are looking forward to welcome you in Reims, France.

The pamir 2019 Organizing Committee.
