

Dear Colleagues:

Please find enclosed information on International Conference on Magneto-Science 2017 (ICMS 2017), held on October 23 to 27, 2017, in Reims, FRANCE.

http://www.univ-reims.fr/minisite_140/home/icms2017-in-reims,20366,35041.html

We are glad to receive your excellent papers for ICMS 2017 by e-mail at icms2017@univ-reims.fr, before the new abstract deadline submission : **July 30, 2017**. The instruction for abstracts submission is given on :

http://www.univ-reims.fr/minisite_140/abstracts/abstracts,20398,35074.html

Some overseas persons may be controlled by VISA. If you need a letter of invitation from the conference, please let us know (icms2017@univ-reims.fr). Before July 30, 2017, abstract submission and pre-registration should be done, because it might take much time to get your VISA.

Please make a plan to join ICMS 2017 in Reims, FRANCE.

If you have any question, please let us know: icms2017@univ-reims.fr

We are looking forward to seeing you at the conference soon.

Sincerely yours,

Prof. Jean-Paul CHOPART, Organizer of ICMS 2017

Dr. Anne-Lise DALVIN, Vice-organizer of ICMS 2017

International Conference on Magneto-Science 2017 (ICMS 2017)

October 23~ 27, 2017, Reims, France

ICMS 2017 will cover magnetic field effects on materials and processes in physics, chemistry, and biology. Topics and keywords are as follows.

Topics

- Magnetic processing of materials
- Magnetic control of structures, properties, and functions
- Chemical reactions and processes under magnetic fields
- Analytical aspect of magnetic fields
- Magnetic separation science and technology
- Interactions between water systems and magnetic fields
- Colloids and interface science under magnetic fields
- Magnetic levitation and microgravity
- Generation and application of various magnetic fields
- Others relating to magnetics and magnetic fields

Keywords

Magnetic orientation

Triaxial alignment/ Modulated magnetic fields

Phase transition/ Phase separation

Chirality

Spin chemistry

Magneto-electrochemistry

MHD effects/ Magneto-convection

Levitation

Bio-materials and processes

Water

Site:

Matsumoto is a castle town, surrounded by the mountains of Japan Alps, and almost center of Honshu island (200 km from Tokyo). Beautiful city and comfortable season will be hospitable to participants. We welcome all participants to the conference.

Conference site: Reims Congress Centre (Centre des Congrès-12 Boulevard du Général Leclerc - 51000 Reims – France)
