CHALONS FAIR 2022

DISCOVERING JOBS OF TOMORROW

The CMQ was present at Chalons' "Village des métiers" to talk with the audience about bioeconomy, their current career opportunities and training courses.

- A **radio show** by RFC on the theme «Bioeconomy: employment and training in Grand Est» with Estelle Garnier (CMQ d'Excellence Bioeco Academy), Cindy Morian (Oref Grand Est), Rachel Dachelet (Cristal Union) and Christophe Fleury (Givaudan)
- A **stand** aimed at informing students about training and career opportunities, as well as jobs ideas was at disposition. An interesting exhibition of bio sourced objects was also part of our stand.

76th Chalons' Fair: The training professions

BIECONOMY OLYMPIADS

The Chalons Fair 2022 has been marked by the **1st edition of the Bioeconomy Olympiads**. Organized by the CMQ. 48 students from the Somme-Vesle High School and URCA, divided into eight teams, participated to different activities throughout the day :

- **Games** : Bioeconomy game, Escape game, Biomass game, Create your biorefinery game and the Bioeconomy fresk.
- **A communication challenge**, where each team created an explanatory poster about one of the companies in the bioeconomy sector exhibiting at the fair. They presented it in front of a jury of professionals.

This day ended up with a ceremony, awards were presented to the first 3 winning teams.

WHAT'S BIOECONOMY? BOOK

Official presentation of the French version of the book « What is the bioeconomy? ». « Qu'est-ce que la bioéconomie ? », the French version, found its place on the stands of the Grand Est region and URCA. This book is intended for children from 5 to 8 years old to make them aware about sustainable, durable, and circular bioeconomy and particularly to introduce bioproducts.

The book was presented to Marc Fesneau (French Minister of Agriculture and Food Sovereignty) and to Christophe Huy (Walloon Minister of Housing and Local Authorities of the City).

BIOECO VILLAGE AND URCA STAND

The CMQ of Excellence Bioeco Academy, the AEBB, the CEBB and Accustica were present on the **URCA stand** as well as in the **bioeconomy village**.

It was a great opportunity to make discover to the attending public:

- The exhibition of bio-based products,
- The games: « Create your biorefinery » & « Biomass and biomaterials game »,
- The Bioeconomy Fresk
- The book « Qu'est-ce que la bioéconomie ? ».

ESTATES - GENERAL OF BIOECONOMY

Estelle Garnier, CMQ's Operational Director, took part in the roundtable discussion « **A look back at the results: the vice of actors** » during the Estates-General of Grand Est 2022 bioeconomy.

She gave her testimony as an actor involved in the **deployment of Grand Est Region 2019-2022 bioeconomy strategy** while highlighting the territorial impact of the regional policy.

GENERAL ASSEMBLY OF PARTNERS

After 2 years of sanitary crisis, it is with great pleasure that the CMQ received in its premises, the general assembly all its partners with the participation of Olivier Brandouy (Rector of the Reims and Christophe Clément (1st vice-president of the URCA).

During this event, our partners discovered all our actions, our animations, our projects as well as a retrospective video of all events in last years.

It was also the occasion to thank them with the award « **Pilot of the Network** » given to URCA and the awards « **Member of the Network** » given to the partner institutions (*bio sourced award designed and manufactured by the FabLab of EiSINe of Charleville-Mézières*).
